DHOLERA SMART CITY

ABOUT US

RSC Group Dholera has shaped Dholera's land with several iconic Residential, Commercial and Industrial projects. From Satisfaction to High-class Quality, our single each address defines prestige and superiority. Every project demonstrates our dedication to innovation, sustainability, and creating spaces that place Dholera on the global map.

RSC Group founded in 2010, is a pioneer in real estate development, specializing in commercial, residential, and Industrial infrastructure projects. Technological advancements have enabled the organization to expand its construction site and change its overall to expand its wings and implement enticing construction strategies. We provide a 360-degree real estate ecosystem that extends beyond construction. We provide value at every step.

OUR MISSION

To achieve excellence in real estate development by working closely with our clients and stakeholders. We are committed to leveraging cutting-edge technologies and innovative practices to deliver high-quality properties that exceed industry standards in design, service, and long-term value—ensuring complete customer satisfaction. Our approach is driven by integrity, precision planning, and a deep understanding of evolving market dynamics. Every project we develop is envisioned to offer sustainable growth, functional efficiency, and lasting returns for our clients.

OUR VISION

To expand RSC Group Dholera's footprint as a trusted leader in planned real estate development by implementing forward-thinking construction strategies and sustainable growth models. We strive to offer our clients the most compelling investment opportunities, backed by transparency, value creation, and future-ready infrastructure. Our vision is to contribute meaningfully to the growth of Dholera Smart City while setting new benchmarks in reliability, innovation, and investor confidence. Through long-term partnerships, we aim to shape developments that stand as symbols of progress and prosperity.

ABOUT DHOLERA SIR

Dholera Special Investment Region (DSIR) is a planned Greenfield Industrial City located about 100 kilometres south-west of Ahmedabad. The Indian & Gujarat government have established a legislative framework for the formation of a Special Investment Region Act 2009. The act establishes a regional development authority for DSIR.

Experience Workforce

Our expert workforce is dedicated to delivering high quality construction, high return on investments, timely project completion and high quality at every step.

MR. RAMRAJSINH CHUDASAMA
Director (Army Rtd.)

Meet our Director, Mr. Ramrajsinh Chudasama is the founder of RSC Groups of Companies. He's held pivotal roles in RSC Realty, RSC Buildcon Pvt. Ltd., Dholera Triangle Infra Pvt. Ltd., RSC Security Protections Services Pvt. Ltd. and RSC Tours and Travels Pvt. Ltd.

Born and raised in the Dholera SIR region, Ramrajsinh is deeply rooted in the community and is recognized as one of the most influential personalities in Dholera and the surrounding areas. His journey is a remarkable testament to his discipline, strategic acumen, and dedication to excellence.

A retired serviceman from the prestigious Indian Army, Ramrajsinh served the nation with honor and commitment for 16 years. During his tenure, he was celebrated for his strong work ethic, unwavering passion, and resolute determination, which have become the cornerstones of his entrepreneurial journey.

Post-retirement, he transitioned into the business world to pursue his passion for real estate and infrastructure development. His ventures are a reflection of his result-oriented mindset, strategic foresight, and extensive network. Under his leadership, the RSC Group has grown into a trusted name synonymous with quality, innovation, and reliability.

Ramrajsinh Chudasama's inspiring journey from a disciplined army career to becoming a successful entrepreneur continues to motivate many in the Dholera region and beyond. His legacy is marked by his contributions to the growth and development of Dholera, fostering a community-centric approach while creating opportunities and driving progress.

The Strength Behind the Structure

Leadership rooted in discipline, vision shaped by experience. With a decorated journey from national service to real estate excellence, Mr. Ramrajsinh Chudasama leads the RSC Group with honor, strategy, and integrity.

DMIC

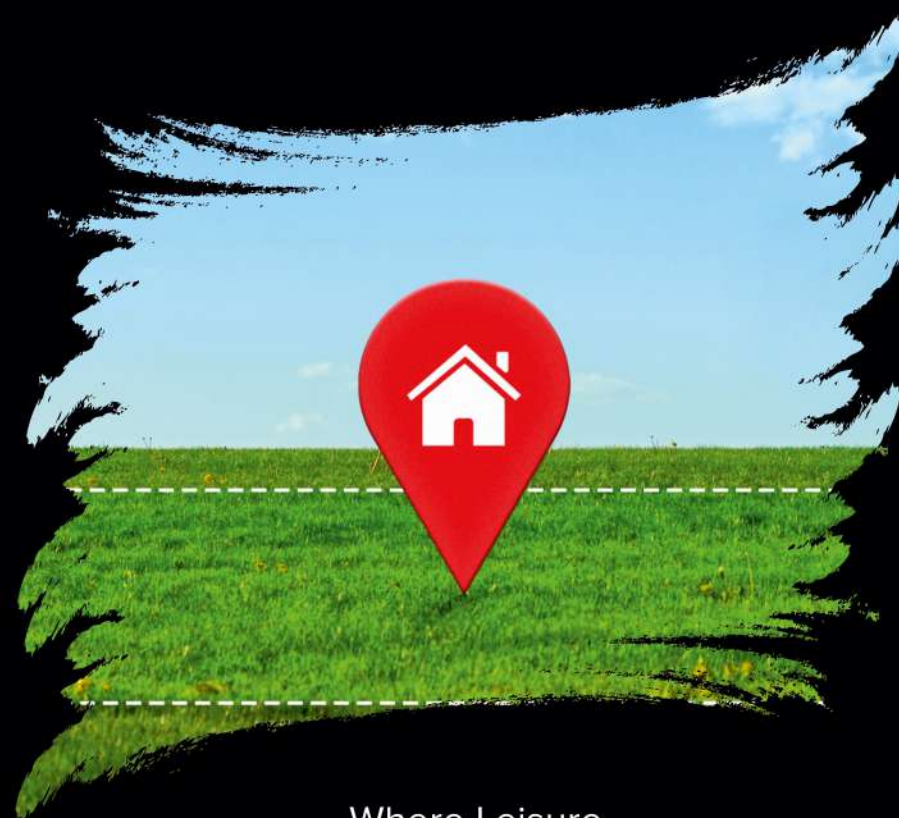

DELHI - MUMBAI INDUSTRIAL CORRIDOR

Smart Industrial Township Under DMIC

The Government of India is developing the Delhi Mumbai Industrial Corridor (DMIC), the first industrial corridor along the Western Dedicated Freight Corridor (DFC), which stretches between Delhi and Mumbai. The total length of the corridor is 1504 km, passing through the states of Uttar Pradesh, Delhi NCR, Haryana, Rajasthan, Gujarat, and Maharashtra, with the starting point at Dadri in the Delhi NCR and the endpoint at Jawaharlal Nehru Port (JNPT) near Mumbai.

This initiative spans across Uttar Pradesh, Haryana, Rajasthan, Madhya Pradesh, Gujarat, and Maharashtra, following the route of the Western Dedicated Freight Corridor (DFC). Below are the key projects under DMIC that are at various stages of development:

- Dholera Special Investment Region (DSIR), Gujarat (22.5 sq. kms/ 5560 acres)
- ShendraBidkin Industrial Area (SBIA), near Aurangabad, Maharashtra (18.55 sq. kms/ 4583 acres).
- Integrated Industrial Township – Greater Noida (IITGN), Uttar Pradesh (747.5 acres)
- Integrated Industrial Township – Vikram Udyogpuri (IITVU), Madhya Pradesh (1,100 acres)
- Integrated Multi-Modal Logistics Hub, Nangal Chaudhary, Haryana (886 acres)
- Multi-Modal Logistics Hub (MMLH) and Multi-Modal Transport Hub (MMTH), Uttar Pradesh 479 Ha (1184 acre)
- Dighi Port Industrial Area, Maharashtra (6056 acres)
- Jodhpur Pali Marwar Industrial Area (JPMIA), Rajasthan (6,570 acres)
- Khushkhhera Bhiwadi Neemrana Industrial Area, Rajasthan (1378 acres)
- Mandal -Becharaji Special Investment Region (MBSIR), Gujarat (2,849 acres)
